> Michmoret Sailing Club

Michmoret sailing club exists since 1982,
mostly as a windsurfing club.
The club is located in one of the centers of marine culture in Israel (with an academic school of marine sciences, a 68 years old marine boarding school, sea turtle rescue center, and more)

> Atmosphere

> Concept

The championship will be held in Ramot Yam, a boarding school with an extensive marine heritage and involvement (School students and alumni hold ~15 RS:X and BIC titles)

The joint accommodation & meals will enable us to:

- Reduce accommodation cost
- Reduce car rental cost and travel time
- Conduct joint social activities

> Moto

Best sailing

Cheaper

The fact that a local boarding school is our host makes for considerable reduction of cost. This proposal will probably be cheaper for the sailors than any previous BIC event

Interact

Once everyone sleeps on the same compound we can significantly improve the social plan

More fun

Both on and off the water

> Concept | On the water

Israel is hot but the wind is very steady - the championship will be held on one course (option for a second course will be prepared), with morning and afternoon racing.

The championship will conclude with a long distance race. The (provisional) winners will be sailing with flags to the most popular beach in Israel where sponsor tokens will be awarded.

> Venue - local security facilities

- The school is surrounded by fence and guarded 24/7
- Another internal perimeter will be provided for the event site during the event

> Compound | newly constructed boarding school
